

NEHRU GROUP OF INSTITUTIONS

NGI/Admin/IT/2022

26.12.2022

**Circular**

**Learn Pharma being a 3D Virtual Classroom mode** has been effectively implemented in Nehru College of Pharmacy. This version has now been fully made functional in the Android version and can be easily accessible to staff and students in the mobile mode/laptops. The Learn Pharma facility was provided free of cost for a period of one year as a trial mode. This 3 D virtual class room has been exclusively designed for Nehru College of Pharmacy duly incorporating the PCI syllabus and the software will cost Rs.4000/- per head and more. In order to empower the student with the new learning application the Management is happy to provide this Learning Platform as an **Add-On-Course for Nehru College of Pharmacy** free of cost. Principal Nehru College of Pharmacy to bring out a proper schedule to effectively implement the Learn Pharma Application in the curriculum. This may be brought to the notice of the newly inducted students of AY 2022-2023 B.Pharm batch also and Head of Institution and the concerned class tutors to ensure that this facility is effectively provided to the students and all the students avail the same. Principal NCP to monitor the same and a monthly report should be submitted by the NCP Office by 10<sup>th</sup> of every month.
